BANGALORE

10 YEARS OF
SUCCESS
SAGA

EVOLUTION is the DNA of our business model. Every day since we made a beginning in the year 2014, we have worked towards a singular goal to constantly **EVOLVE** and embrace change.

The GK Group goes beyond building roofs and walls out of concrete and marble. We build communities. We build happy families, secure futures and productive collaborations, with environment-friendly practices. A front-ranking presence in Bangalore, the group has made significant strides in the Constructions Sector, Real estate in Residential Communities, Commercial Spaces segment over more than a decade.

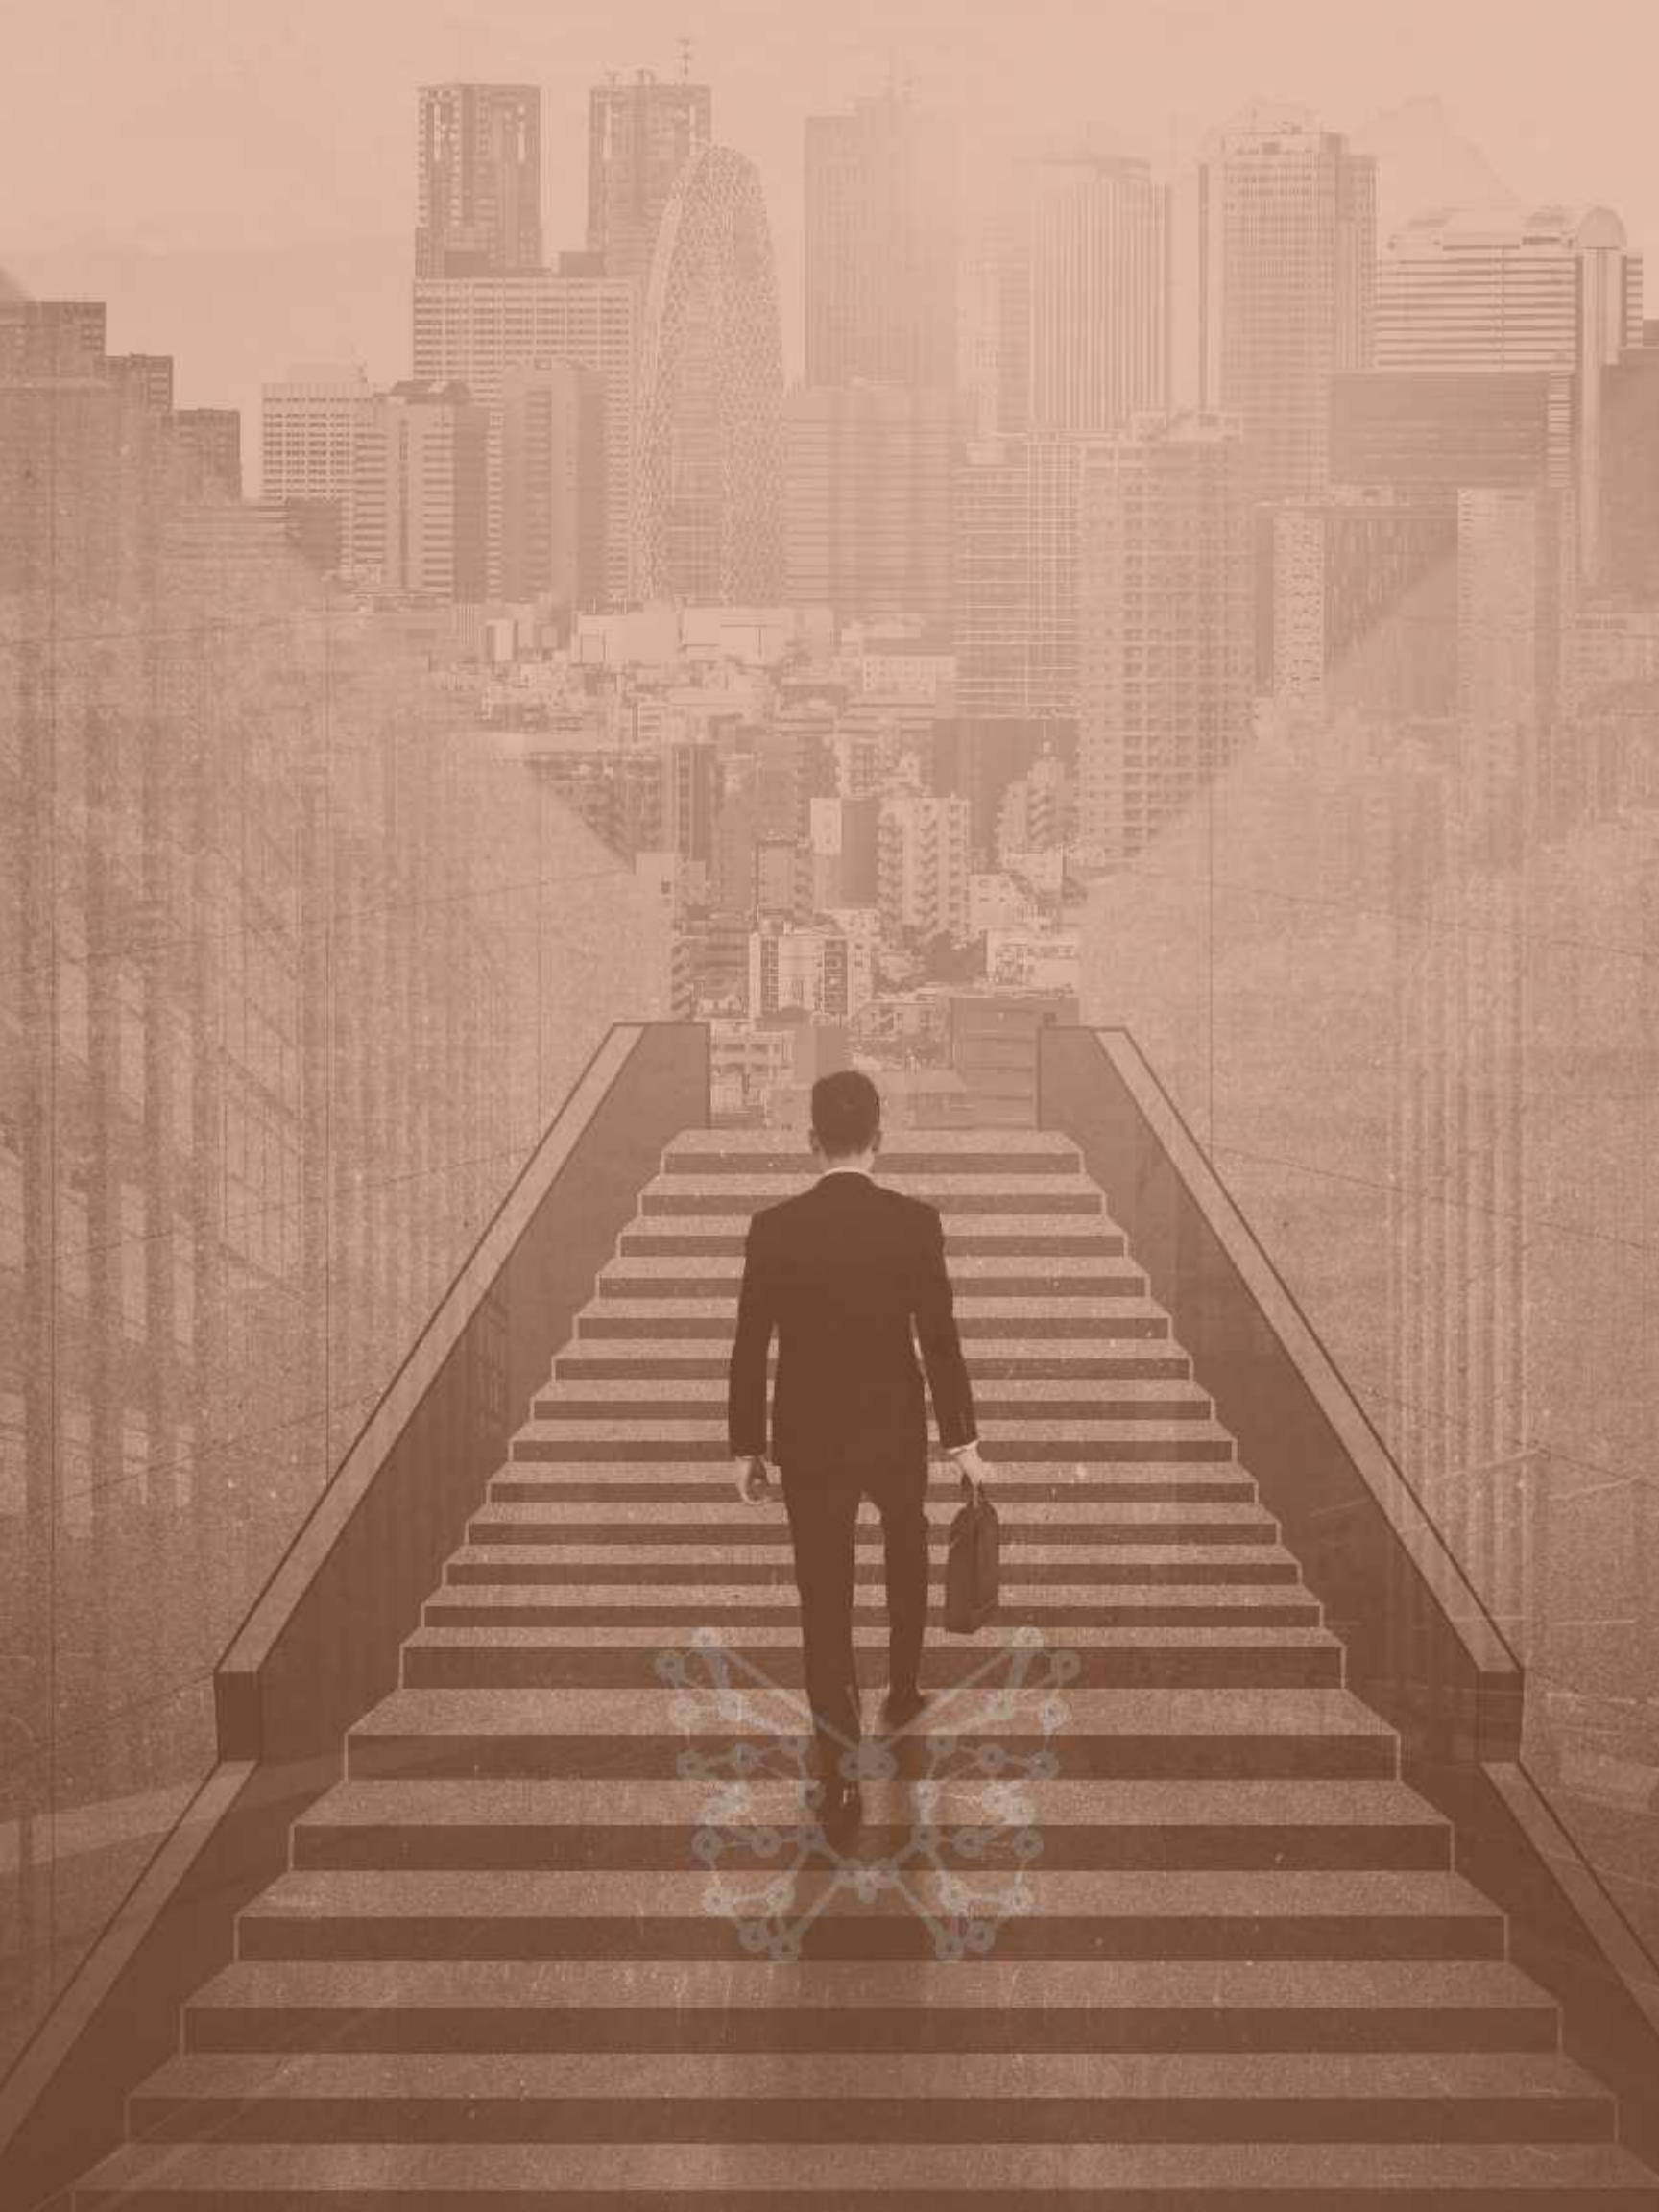

WE BELIEVE IN EXCEEDING EXPECTATIONS

Over more than a decade, GK Group has built a comprehensive property portfolio that capitalises on its proven expertise in development, construction, land subdivision, property investment and asset management.

GK Group is real estate development company in Bangalore. Since entering the Bangalore property development market in 2014, GK Group has been exceptionally active in the industry. The group has invested and developed many popular and best-selling projects, such as apartment gated communities. With its fast and steady business growth, GK has become one of the most reputable property developers in the region.

At Gk Group, we believe in dedicated service and sincere collaboration. We focus on rigorous professional training and business ethics, in order to provide the best quality services to our clients. We adapt to highest industry standards to develop quality projects using architectural expertise, modern technologies and contemporary craftsmanship. We invest our time and energy to meet today's needs and design creative spaces that live up to tomorrow's vision. Our approach is to promote mutually beneficial, long-term relationships with all we come in contact with - be it customers, associates or team members.

Managing Director

PHILOSOPHY

WE LEARN AS WE GROW, AND WE GROW AS WE LEARN

From the very beginning, we have identified the fundamentals of our being. Our reputation over the years has been built on Quality, Innovation, Contemporary Design and Customer Service. All these qualities emerge from our desire to learn and evolve with the times. Every project is a learning experience since we are constantly striving to be better than our last milestone.

QUALITY CONTROL

We LOOK AT QUALITY, NOT NUMBERS

Less is more when it comes to the way we approach our role in real estate. The GK Group is headquartered in Bangalore, but the vision is universal. We create apartments, commercial properties and communities projects that stand out for their Architecture, Design and Quality.

Quantity and making profits is only one part of our operations. At the core is Customer Satisfaction. All that matters at the end of the day is the smile on the face of a happy customer.

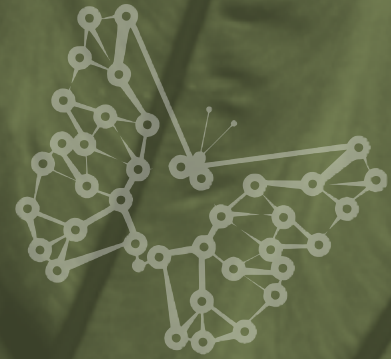

WE COLLABORATE WITH THE FINEST MINDS

We work with the most reputed architects, engineers, landscape artists, amenities planners and interior designers. They blend technology and craftsmanship to provide functional aesthetics that elevate lifestyle. Together, the team ensures timely deliveries and future-ready solutions for home seekers looking for more than a home.

GREEN ETHOS

WE ARE IN PARTNERSHIP WITH THE ENVIRONMENT

To build homes that are eco-friendly, we infuse techniques and materials that are good for the environment. The endeavour is to reduce carbon footprint by having trees, ornamental greens, and water bodies on the grounds. Our well-ventilated apartments are full of natural sunlight and breeze.
